Full set of pupil data 2015-16 for each data set from the NPD were linked including children's highly sensitive personal data, looked after, exclusions, SEND and ethnicity and language. That means around 8 million individual records.

The data sets included the Phonics data set, and all key stages KS1-5. These identifying and sensitive items, or identifying data items were matched at individual pupil level with census data for the Early Years (age 2-5) and included service children which required MOD approval.

Tier 1: included full name, date of birth and address, and the Unique Pupil Number. Sensitive data include service children indicator, pupil premium and free school meal indicators,
